Family News

It's with sadness that we let the church family know that Donald Black Black died peacefully Wednesday morning with his family around him.

Let's pray for Fiona and the family during this sad time. We also recognise that many in our church family will be grieving with the family as Donald was so involved in SBC, well known and loved by many.

We pray that all who are grieving will know the love, comfort and peace of our Heavenly Father carrying them in the coming days and weeks ahead.
